

MuslimFest 2009: Arts, Entertainment, Food, and Culture

Celebrate the best in Muslim arts and entertainment at MuslimFest's annual summer festival. When MuslimFest launched in 2004, there was nothing like it in North America. Five years later, MuslimFest maintains its uniqueness by re-inventing the event annually and building on its cornerstones. Visitors of all ages can participate in a drumming circle, outdoor carnival, cultural artistic workshops, shop at the bustling bazaar while discovering Arabic calligraphy and voting for the People's Choice Awards at our Art Exhibit and Film Festival. Come out and enjoy exhilarating live performances and flavours from around the world with MuslimFest!
